

WHY PARTNER WITH FOSTERING HOPE

MAKE AN IMPACT

Partnering with Fostering Hope is an opportunity to stand with children, families, and young adults navigating the foster care journey. Your support helps create stability, connection, and hope — ensuring no one has to walk this path alone. Together, we can strengthen families and open doors to brighter futures across our community.

COMMUNITY LUNCHEON 10.08.2026

Join over 450 community leaders and supporters at our annual luncheon. Sponsorship puts your business in front of a highly engaged audience while showing your commitment to families and foster youth. It's a meaningful way to connect, build visibility, and support programs that make a real difference in the lives of foster youth.

GOLF TOURNAMENT 07.27.2026

Our Golf Benefit brings business and community leaders together on one of Colorado Springs' top courses. Sponsorship offers prominent visibility throughout the day and aligns your business with a mission that makes a real difference for foster families and youth aging out of care.

WHY IT MATTERS

As a 95% privately funded nonprofit, Fostering Hope relies on sponsors like you. Your support fuels programs that change lives, strengthens community connections, and brings hope to children and youth in transition. Partnering with us shows your commitment to impact — while putting your name before a caring, engaged audience.

READY TO GET INVOLVED? Explore sponsorship levels and benefits on the next page.
